INDEX TO PARTIES
IN NORTHERN TERRITORY JUDGMENTS

This is an index to the Parties in Supreme Court judgments 1918-2018; Court of Appeal and Court of Criminal Appeal judgments are included from 1986 onwards. The information for 1977 and 1978 is not complete.

Several people are responsible for the indexing. The indexing project was started by Brian Preston in 1984; he was Associate to Mr Justice (as he then was) O'Leary; Robyn Ayres (Associate to Chief Justice O'Leary) indexed 1977-1982. Current judgments are indexed by the Associate to each judge, with the Librarian playing a co-ordinating role. Thank you to Bronwyn King in the library for being so thorough with the checking of the index and updating it annually. Thanks also go to former library staff, Leslie Murray and Ravi Sharma for overseeing the smooth running of the library while this project was in its early stages.
