## TABLE OF STATUTES JUDICIALLY CONSIDERED OR REFERRED TO IN NORTHERN TERRITORY JUDGMENTS 2019 TO 2023.

This is an index to the Statutes judicially interpreted in Supreme Court Judgments 2019-2023. The index includes Court of Appeal and Court of Criminal Appeal judgments, and acts as a companion to the Table of Statutes Judicially Interpreted 1977-2018 provided by the Courts Library and available on the Supreme Court website.

Table of Statutes Judicially Interpreted 1977-2018 is commendable in its scope and meticulous attention to detail. Started by Brian Preston (Associate to Justice O’Leary in 1984), the original index comprehensively captures all Statutes judicially interpreted in Supreme Court Judgments from 1977 to 2018, with Court of Appeal and Court of Criminal Appeal judgments included from 1986 onwards. The indexing project was then continued by the Associate to each judge, overseen by the Courts Library. The result was a thorough and extensive catalogue, and special thanks is extended to all those who dedicated their time and expertise to the creation of the index.

The Table of Statutes Judicially Interpreted 2019-2023 does not contain the level of depth as the 1977-2018 as it does not index orders or ordinances; only acts, regulations and rules. Indexes are also only included where specific provisions are mentioned. Relevant statutes are captured by the catchwords on each judgment by the Associate to the respective judge, and have been instrumental in the creation of the companion index. Thank you to the Associate to each judge for their continued efforts to accurately and scrupulously record this information.
