

**5. Payment of \$250.00 upon setting a matter down for hearing**

I refer to the Master's memorandum No 3/94#

I refer also to the *Supreme Court Regulations* which provide for the payment of \$250.00\* upon a matter being set down for hearing. Please note that the Court will require payment of this sum upon the setting down of *all* matters for hearing in the Supreme Court as from 1 January 1996. Previously the Court has insisted upon payment of this sum only for matters originated by writ.
